

EDUCATION IS SPECIAL—These are the men and women responsible for this area's intensi-  
fied special education program. From left: Mrs. Marcia Bloss, speech therapist; John Ab-  
bruzzese, psychologist; Miss Helen Stettler, newly-hired speech therapist; Bennett Strait, special  
education supervisor and John C. Litts, county superintendent of schools.

## Special Education

### Facilities Stepped Up

By Leonard Randolph  
SPECIAL education facilities in Monroe-Pike-Wayne County areas are greatly increased this year.

This is particularly true in the field of speech correction. Until last year none of the three areas—which are actually combined into one on State education rolls—had more than a semblance of the instruction or equipment needed to handle individual student problems.

Effective in 1956-57 Monroe County hired a psychologist (John Abbruzzese) and a speech therapist (Mrs. Marcia Bloss). At year's end they had worked out, in cooperation with John C. Litts, county superintendent and Bennett Strait, special edu-

cation supervisor, a system which met many of the needs of students in the county system.

But it became readily apparent to all those working with the multiple problems of students in local schools that additional qualified help was needed. This year the Monroe-Pike area has a second speech correctionist.

She is 24-year-old Helen Stettler, a 1957 graduate of Indiana State Teachers College. Miss Stettler will handle a case load estimated at from 150 to 175 pupils in need of corrective therapy for their speech problems. Mrs. Bloss will be working with the same number of students.

As the present system has been set up, Miss Stettler will be working with students in East Stroudsburg Area Joint Schools, Delaware Valley Joint School System in the Matamoras-Milford area and with schools in the Hummelton and Eldred Township areas. Mrs. Bloss will work with pupils in Chestnut Hill, Polk and the Pocono Mountains Jointure.

The addition of one more correctionist will make it possible for the therapists to meet with children each week instead of once every other week, as was the case last year. The period of time given to each student remains the same—20 minutes.

## U.S. May Rush Arms Into Iraq

WASHINGTON, Sept. 6 (AP)—The United States is considering following up its weapons flight to Jordan with emergency flights of arms to Iraq, another troubled neighbor of pro-Soviet Syria.

Diplomatic officials disclosed this today as President Eisenhower was reported planning a strongly worded declaration pledging support for Jordan, Lebanon and other pro-Western Middle East countries.

The presidential declaration will be aimed, they said, at bolstering friendly governments which fear that Communist gains in nearby Syria may embolden Red subversives within their own borders.

Informants said the Eisenhower statement probably will be issued by the White House tomorrow, after the President returns from his Newport, R. I., vacation headquarters to discuss Syrian developments with Secretary of State Dulles.

**Eight Planes**  
The Air Force announced tonight that eight C-124 Globemasters would deliver cargoes of arms to Jordan Monday afternoon.

Five of the giant aircraft will load at Wheelus Air Force Base near Tripoli, Libya, on the North African coast, the announcement said, and three will stage from Athens, Greece.

The routes of the planes were not disclosed. In order to avoid violating Syrian and Israeli air space, however, they will probably have to enter Jordan by the back door, flying a circuitous route over Turkey and Iraq or possibly across a corner of Saudi Arabia.

State Department officials said that 106 mm. recoilless rifles would be among the defensive weapons delivered to the Jordanian capital of Amman.

A top-level decision on a second weapons flight for Iraq has not yet been made. But top officials were known to be seriously weighing this as a move to bolster the policies of strongly anti-Communist King Feisal.

A State Department spokesman at a news conference reluctantly talked about a speedup of previously programmed American weapons for Syria's neighbors.

Apparently under instructions, press officer Luther Reid would say only: "We are expediting deliveries to Middle East countries which have military assistance agreements with the United States."

**Dagmar In Hospital**  
NEW YORK, Sept. 6 (AP)—Dagmar, nightclub and television performer who last night underwent an operation for removal of an ectopic pregnancy, was reported in good condition today in Presbyterian Hospital.

## New Fights Break Out In Revolt-Torn Havana

HAVANA, Cuba, Sept. 6 (AP)—Heavy fighting broke out in Cienfuegos again today after the government declared it had completely crushed rebel forces there.

Combined eyewitness and government reports indicated 125 persons had been killed or wounded on both sides since the revolt broke out suddenly yesterday.

Jet planes, troops, and armored cars and tanks furiously attacked three buildings in the naval base city of South-central Cuba where small clusters of diehard rebels apparently had hidden.

The new fighting began after midnight and quickly died down when the rebel resistance collapsed, President Fulgencio Batista's government announced.

**50 Casualties**  
Cienfuegos residents reported by telephone that they believed "as many as 50 men were killed or wounded" on both sides in the new outbreak.

The Cuban high command, in a communique issued at dawn placed the total casualties at about 75, but it apparently did not take into account the post-midnight battle.

The government rushed airborne troops, armor and battle planes to Cienfuegos yesterday after about 400 backers of rebel chief Fidel Castro seized the national police station at dawn.

The streets of Cienfuegos, a sugar port city of 52,000, were turned into deadly bomb alleys and fields of rifle and machine gun fire when planes and troops counter-attacked at noon.

By evening the government claimed the rebels had been defeated and that the survivors had taken to the mountains.

**Another Uprising**  
HAVANA, Sept. 6 (AP)—Cuba's intelligence service announced tonight the arrest of seven men and seizure of an arms cache including 20 machine guns, 30 rifles and ammunition at the village of San Jose de las Lajas, 20 miles east of Havana.

**Three Exposed To Atom Rays**  
SPOKANE, Sept. 6 (AP)—Three mechanics at Fairchild Air Force Base were exposed to atomic radiation Aug. 24 while working on an airplane so radioactive "it should have been isolated for three weeks," the base newspaper said today.

The men have shown no apparent ill effects. They have not been hospitalized but are being kept under observation.

They were exposed while working on a B-57 bomber from another base. The story didn't say how the airplane became "hot" but an atomic test device was exploded the day before on the Nevada desert.

## Luzerne Man Acquitted By Naval Court

JACKSONVILLE, Fla., Sept. 6 (AP)—Marine Cpl. Eugene W. Osick tonight was acquitted of charges he mistreated prisoners while a guard at the Jacksonville Naval Air Station brig in March.

Osick, 21, from Luzerne, Pa., was one of 10 guards recommended for punishment after an investigation earlier this year. He was the first to go on trial.

Seven former prisoners testified they were forced to run around a bull pen at the brig until several collapsed. Others testified Osick hit them and ordered them to hit each other.

But the brig warden, T. Sgt. Henry Merrill and the assistant warden, William Jordan, a radarman first class, testified guards were provoked by insulting remarks from the prisoners.

Seven Navy and Marine officers and enlisted men sitting on the court reached their verdict in less than an hour after they got the case.

Their ballot was secret. It would have required five votes to convict Osick.

Osick did not take the stand in his defense. If convicted he could have been sentenced to as much as four years.

**Grandma Moses Celebrates 97th Birthday Today**  
EAGLE BRIDGE, N. Y., Sept. 6 (AP)—Grandma Moses, still spry and still painting, turns 97 tomorrow.

The world-famous artist planned to put aside her easel and spend the day quietly with her family and friends she knows so well. Ninety-seven roses, a gift from admirers decked her home.

Grandma was a bit disturbed, outwardly at least, at all the excitement when birthday time rolls around.

"They make too much fuss. I'm just a plain person," she said.

As Grandma talked to a newsman, she gazed out a window into the adjoining fields where workers busily picked tomatoes.

"You know," she commented, "if I wasn't so lazy I'd go out and pick some too."

Although she is plagued by arthritis, it's a rare day that Grandma is away from her work. An early riser, she is well under way by 6:30 a.m. and paints a few hours each day, usually working on two or three pictures as they strike her fancy.

Christmas cards, bearing reproductions of those paintings, will pour in and out of thousands of American homes again this year.

Grandma first took up painting in her 70s. Then she was known only as Mrs. Anna Mary Robertson Moses—a farm wife and mother of 10. She lives with a daughter, Mrs. Winona Fisher, in a one-story brick house in this rolling green country close to the Vermont line.

## Dangerous Hurricane Is Spotted

SAN JUAN, P. R., Sept. 6 (AP)—Hurricane Carrie, the season's third, was spotted tonight in the Atlantic Ocean more than 2,700 miles east-southeast of Miami and shipping in its westward path was warned in a U. S. Weather Bureau advisory to exercise caution.

"This is a dangerous hurricane," an advisory issued at 6 p.m. EST said.

"Highest winds are estimated at 115 miles an hour in a small area near the center with hurricane force winds extending out for 75 miles to the north and 50 miles to the south," forecaster Walter Davis said in the advisory, timed 6:30 p.m. Atlantic Standard Time.

"The Hurricane is expected to increase slightly in intensity during the next 24 hours."

**Other Storms**  
The remote Atlantic area where Carrie was detected has in the past spawned such storms as the Galveston, Tex., hurricane of 1900, the Miami hurricane of 1926 and the New England hurricane of 1938.

The storm center's position, as listed in the first advisory, was 15.5 degrees south latitude, 39.5 degrees west longitude. That would be about 1,500 miles east of the Lesser Antilles, island outposts of the Western Hemisphere.

"Carrie is so far out at sea now that it's dangerous only to shipping," said forecaster William Sugg of the Miami Weather Bureau at 6:30 p.m. EST.

Sugg said the first position report placed Carrie almost midway between the Lesser Antilles and the west coast of Africa.

## Menon Named For Mission

CALCUTTA, India, Sept. 6 (AP)—The U.N. Assembly president said here today India's V. K. Krishna Menon will be nominated to act as a one-man good offices mission on Hungary.

"He is a fit person to tackle the Communists," said Prince Wan Waihayakon of Thailand on an air stopover en route to New York. Prince Wan will preside at the Assembly special session on Hungary opening next Tuesday.

Wan noted that he himself had been mentioned for the mission to Hungary but he said a consensus favored the Indian defense minister and roving envoy as better suited to deal with the Communists behind the Iron Curtain.

Menon is noted for sharp-tongued utterances as Prime Minister Nehru's spokesman on the world diplomatic fronts.

Wan indicated Menon's name will be proposed by an unspecified number of countries but he did not identify them.

Wan is president of the 11th General Assembly and will retire after opening the 12th Assembly in New York Sept. 17.

**Cross Burned**  
LEVITTOWN, Pa., Sept. 6 (AP)—A five foot cross of tree branches was burned today on the lawn next door to Levittown's first Negro family, the Lewis Wechsers.

Another disposition in the case came from his immediate superior at the time of the shooting.

Lt. Billy Mohon of Comyn, Tex., replied "definitely not" when asked if he had ordered Girard to chase away the Japanese with rifle fire. Girard was guarding a machine gun during a practice exercise.

**Ruled Invalid**  
NASHVILLE, Tenn., Sept. 6 (AP)—U.S. Dist. Judge William E. Miller today ruled unconstitutional Tennessee's new school preference law.

## \$1 Donation, Added To \$300 More, Lifts Industrial Fund To \$8,226

THREE local businesses contributed \$300 to the development fund of Monroe County Industries Inc., yesterday.

That brought the total amount collected to \$8,226.

But an unemployed "part-time worker" who had been laid

off from a local factory's payroll almost stole the show from the \$100 headlines.

Asking that his name not be used, the unemployed worker sent a dollar bill to The Daily Record with a letter which urged other workers to "do

their share" in the drive to bring new industry into the area.

This is the text of his letter: "Dear Sir: "I was very much engrossed in your editorial and cartoon in The Daily Record issue Wednes-

day, Sept. 4 which you will find enclosed. I hope everybody in Monroe County saw it.

"I happen to be one of the many along with my fellow workers who are without full-time employment and I am enclosing a copy of the letter which we all received which in itself is explanatory.

"I have worked for this company for seven years and have had full-time employment two years out of the seven.

"Wonderful company to work for it it was only a steady job. With the well-equipped plant which they have I cannot understand why they cannot take up the slack period with some diversified line. Of course, this is their business.

"As to the Chamber of Commerce drive to raise \$15,000 which is a mite in itself. I am very much in favor. I think

## Two Men Plead Guilty To Golf House Burglary

TWO LOCAL men were committed to Monroe County Jail this week after they entered pleas of guilty to a charge of burglarizing the golf house at Monomnock Inn, Mountainhome on August 20.

State police said last night that a third member of the burglar gang implicated in that job is now being sought. The third person is a juvenile, police said.

Back in Monroe County Jail last night were Jack Dempsey Harrison, 25, of 37 Pearl St., Stroudsburg, and Francis Gardner, 24, of Spring St., East Stroudsburg.

They are accused of taking golf equipment and coins from cigarette and soft drink machines at the resort golf shop. Exact amount involved in the theft has not yet been determined, troopers said.

**Other Theft**  
Harrison has confessed to a series of other burglaries in this area and in Northampton County over a period of several months. He recently was detained in Northampton County Jail on a charge of taking auto equipment valued at \$715 from a Bangor area store.

Both men have been committed to Monroe Jail to await court hearing on the burglary charge.

## Pennsylvania Girl Ties In Talent Test

ATLANTIC CITY, N. J., Sept. 6 (AP)—Miss Pennsylvania, Miss Oregon and Miss North Carolina pranced off with the final preliminary beauty and talent competition of the Miss America pageant tonight.

The talent competition resulted in a tie between Jennie Rebecca Blatchford, a 23-year-old blue-eyed blonde from Hollidaysburg, Pa., and Judith Faye Hansen, also a blue-eyed blonde, 19, from Astoria, Ore. Miss North Carolina, Elaine Herndon, a shapely 35-23½-35, walked off with the swim suit competition.

Miss Blatchford performed a sparkling baton twirling demonstration while Miss Hansen sang "Si, Mi Chiamano Mimmi" from "La Boheme".

**Firebrand Baton**  
Miss Blatchford executed a tricky series of maneuvers with a regular baton and then capped her performance by twirling a firebrand baton which showered sparks over the large Convention Hall stage.

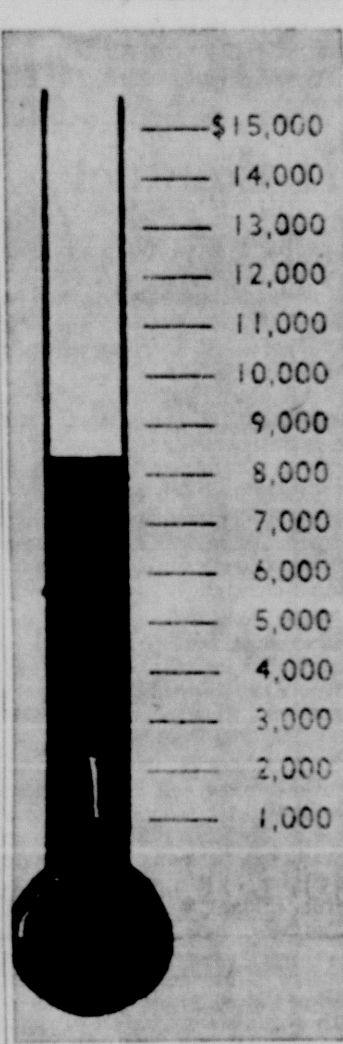

Sponsored by the Exchange Club of West Chester, Pa., Miss Blatchford was urged on by the applause of 8,370 persons led by 800 Exchange Club members her for the 39th annual convention of the National Exchange Club.

**Libel Trial In Final Phase**  
LOS ANGELES, Sept. 6 (AP)—The dry dust of legal argument settled over the Confidential libel trial today as the lengthy case entered its final phase.

Memories of the glamour-touched appearances of Maureen O'Hara and Dorothy Dandridge, and the spicy testimony of other witnesses, faded away as the state started its final summation for the jury.

Prosecutor William Ritzl, armed with a box full of exhibits and the 2,000 pages of testimony that have piled up during the five weeks' trial, had barely started his argument when the proceedings were halted by the sudden illness of a juror. Mrs. Marilyn Faber was suffering from a mild infection.

After an hour's delay, during which she was examined by the county jail physician, it was announced that court would recess until Tuesday, at which time Mrs. Faber is expected to rejoin the jury.

## Segregation Story Told To World

By THE ASSOCIATED PRESS  
NEWSPAPERS around the world are giving space to stories of school integration troubles in the United States.

Stories and pictures of troops barring Negro children from entering schools in Little Rock, Ark., were not always carried on front pages, however, and there was not much editorial comment. Headlines and photograph captions, however, set the pitch of newspaper reaction.

The Vatican's official newspaper L'Osservatore Romano editorially denounced the Arkansas incidents. The Friday issue said developments there have reached a point that is "neither human, civil, democratic or patriotic." It said public office should be refused to any who profess anti-racial sentiment "just as such office is refused to criminals."

French and British newspapers gave front-page display to the story, the Liberal London News Chronicle playing it over a child murder that climaxed a peak wave of British violence. The News Chronicle said editorially, "The scenes—at Little Rock—have been nauseating and pitiful." It called Arkansas Gov. Orval Faubus "crusty, bigoted and packed with the prejudices of the South."

A Daily Express headline proclaimed, "One Girl Runs Gauntlet of Hate."

Enclosed with the hand-written letter was a crisp, new one dollar bill. Also enclosed: A copy of The Daily Record editorial titled "We're Close To Success—But Still Our Efforts Lag"; a cartoon by Rod MacLeod showing workers reading the front page of The Record.

An additional enclosure: A copy of an industrial letter headed "To All Hourly Paid Employees. Subject: Notice of Layoff."

**Three Contributions**  
The three contributions—each for \$100—were from the following:

L. J. Koster Variety Store, East Stroudsburg; Standard Loan Service, Stroudsburg; and Clifford Munell in behalf of East Stroudsburg Hardware Co.

With their \$300 and one dollar contributed by the jobless worker, the development fund stood at \$8,226 last night. The goal of the drive is \$15,000.

**Good Morning!**  
After his first dancing lesson, little Butch was asked by his mother how he got along. "Aw, it's easy," he said. "All you gotta do is keep turnin' around and wipin' your feet on the floor."

**Midwest Tension**  
The President also will confer tomorrow on the Communist menace in the Middle East.

The court session will be in Little Rock before U. S. Dist. Judge Ronald N. Davies. Twice in two weeks Davies ordered Central High integrated immediately.

The petition for the hearing came from the Little Rock School Board, which had favored carrying out Davies' integration order.

The board asked for a postponement of integration, because, it said, pupils are divided on the question, creating tensions which might disrupt education.

The school board did not say how long it thought integration should be delayed, but there were reports that it sought only a few weeks—no prolonged delay.

**Dairy Farmers To Get Boost**  
HARFORD, Pa., Sept. 6 (AP)—Dairy farmers in northeastern Pennsylvania will receive a 10 per cent increase in payments for milk sold to New Jersey buyers, Gov. Leader said today.

Speaking at the 100th annual fair of the Harford Agricultural Society, Leader said 14-member committee which he named to study the milk situation had reached an agreement with New Jersey and New York milk handlers.

"Until Aug. 1," the governor said, "Pennsylvania milk sold in New Jersey was not regulated by the federal government largely because the dairy farmers of New York and New Jersey couldn't get together on the kind of regulations they needed. The New Jersey dealer bought Pennsylvania milk at cut prices, sold it at full price and pocketed the difference."

Leader said he had been informed by the federal government that Pennsylvania farmers will now receive a blend price of \$3.35 a hundredweight or 11 cents per quart, this November, an increase of 52 cents per hundredweight over last year. He said the order went into effect last Aug. 1.

**Party Leader Quits**  
OTTAWA, Sept. 6 (AP)—Former Prime Minister Louis St. Laurent tonight announced he has decided for health reasons to quit as leader of the Liberal party.

## Arms Conference Collapses

LONDON, Sept. 6 (AP)—The London disarmament talks collapsed tonight. Delegates to the U.N. Disarmament subcommittee referred the issues back to the U.N. General Assembly.

After nearly six months of tedious negotiations, the five-nation subcommittee acknowledged it could not reach agreement. No date was set for another meeting.

The talks broke down in a strange atmosphere of both acrimony and friendliness that appeared to leave some hope for future consultations.

Delegates for all members—the United States, Russia, Britain, France and Canada—said progress had been made. But they agreed unanimously the problem of cutting military forces and their weapons should now be aired

in debate at the General Assembly session beginning Sept. 17.

U.S. delegate Harold E. Stassen said the biggest single obstacle to an accord was Russia's refusal to agree to quit building H-bombs.

**Blame West**  
Soviet delegate Valerian Zorin charged: "The Western Powers have no intention of embarking on the road to real disarmament. They have no desire whatever to renounce atomic and hydrogen bombs as weapons of war. They do not want to stop the tests of these weapons."

The big difference between East and West: Russia wants H-bomb tests stopped at once—before a wider disarmament agreement is worked out. The West argues that tests should be banned only as part and parcel of a wider agree-

ment. In the Western view, there is little point in stopping nuclear tests unless the big powers also stop manufacturing nuclear weapons.

In the General Assembly, each side will argue its case in public before a jury of 82 nations. The subcommittee sessions have been held in private.

Although the final session saw a renewal of the bitterness which has characterized the meetings for several weeks, it finished on a note of congeniality.

Zorin said he wished personally to thank each of the other delegates for their "cooperative method of work."

Western officials said it was the first session in 11 years of post-war disarmament negotiations to end on such a friendly note.

## TOGETHER

Every experience means more when it is shared. When father, mother and children go to church together they are sharing a beautiful experience. When they sing the songs of the gospel, read the Scripture, listen to the sermon, unite in prayer, they are adding to the joy of being together. When they open their hearts to God and pledge allegiance to Him, family life is strengthened. The "togetherness" reaches out to include fellowship with others.

Young people who grow up in the Church, who have a truly Christian home, are blessed with a tremendous advantage. They have learned to work and live with other people for the glory of God and the advancement of His cause. There is strength in the very thought of uniting in work and worship.

Together—what a difference it makes! Does your family go to Church together?

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Important Contribution

The first one-dollar contribution to the Pocono Mountains Chamber of Commerce's industrial drive was received yesterday—and it may well prove to be the most important one of the campaign.

In a letter to The Daily Record, an anonymous donor who called himself "Part-Time Employee" accompanies his dollar gift with this hopeful observation, "I think every citizen in Monroe County should support this drive out of respect for their own job security and full time employment." He added:

"I am sure every working man and woman will match my dollar if they are approached on this very important matter through the personnel departments of industry and management..."

"Let's get back to our Chamber of Commerce and put this drive over the top..."

Our unidentified friend noted correctly that the \$15,000 sought by the Chamber "is a mite in itself." And yet, small as it is the fund is only slightly more than half subscribed.

It's not that our people do not recognize the need for bringing new industries into the community. And neither is it a case of not having enough people to support the drive.

Perhaps it is the idea that \$100, the amount suggested for contributions, is more than most willing donors can afford.

If this is so, then the dollar donation received yesterday by The Daily Record may well ignite the spark that will bring several thousand dollars in small contributions into the fund's coffers. We can think of no better way to put the drive over the top than by having everyone — executive and laboring man — go hand in hand to bring new industries into our midst.

### Traveling North At A Premium

One of the surprises American tourists in Canada have encountered this Summer is the difference in rate of money exchange. They travel north of the border at a premium.

The U.S. dollar isn't worth as much in Canada as Canada's own dollar. The Wall Street Journal yesterday quoted the Canadian free dollar at \$1.05 5-32 in relation to the U.S. dollar.

Accustomed to think of the United States as the soundest nation on earth and to view our wealth as excelling all others, it comes as something of a shock to discover the Canadian dollar enjoying this five-cent-plus premium.

This means tourists offering a U.S. \$10 bill in Canada must put up an additional 50 cents or more to get 10 Canadian dollars. Before World War Two, you got back 11 Canadian greenbacks for 10 of ours.

## Inside Washington

### Seek To Avoid Contest

By Henry Outhairst

Central Press Writer

Washington — Strong pressure is being exerted on Senate Republican Leader William F. Knowland by GOP strategists who want to reconsider his decision to battle incumbent Goodwin J. Knight in next year's California gubernatorial contest.

Party chieftains feel that Knowland can be more helpful to the Republican cause if he remains in the Senate. They also point to these developments:

Knight already has announced that he will run for reelection, has built up formidable support, and has served notice that he would conduct a tough campaign against Knowland for the nomination.

This could split the GOP in California so effectively that the Democratic aspirant for the governorship, State Attorney General Edmund (Pat) Brown, might win, which would put Knowland in an unhappy position.

The GOP analysts aren't attempting to talk Knowland out of opposing Vice President Richard M. Nixon for the presidential nomination in 1960. Instead, they're counseling him to protect his own career

and serve the party to a greater degree by remaining in the Senate.

Missile "Repercussion"—Russia's startling announcement that it had successfully tested an intercontinental ballistic missile before the United States may develop into a big political issue. Already, several Democrats and at least one Republican have severely criticized the Eisenhower administration for allegedly cutting back America's research and development program in the vital missile field.

Senator Stuart Symington (D), Missouri, former Air Force Secretary, said it is "almost inconceivable" that the administration "slowed down our own missile efforts for budget and fiscal reasons."

Senator Henry M. Jackson (D), Washington, a leading Senate expert, also charged a "slowdown" in the missile program even though "highest priority" has been given. Even Republican Rep. James Patterson of Connecticut criticized the administration for its cut-back in funds for the program.

Fall and Rise—Two months ago James R. Hoffa was apparently through as a union leader. The fiery No. 2 boss of the 1,400,000-member Teamsters' Union was facing trial for bribery, conspiracy and obstruction of a Senate committee. He faced a possible sen-

tence of 13 years. If convicted, the government felt it had an airtight case. However, with the aid of the man many consider the nation's top trial lawyer, Edward Bennett Williams, Hoffa was acquitted.

Now Hoffa appears headed for the \$50,000-a-year post of president of the union, succeeding Dave Beck. Hoffa, unlike Beck, has never taken the Fifth amendment, and has never been accused of using union funds for personal benefit.

So, he seems headed for a top role in the nation's labor movement, either inside or outside the AFL-CIO.

Priority For Toughness—When Ohio industrialist Neil McElroy takes over as Defense secretary sometime this autumn, he is expected to be confronted immediately with the problem of ending the inter-service bickering over the missile development programs.

The Soviet claim of an intercontinental ballistic missile proved jarring news for the administration. Civilian Pentagon chiefs feel that failure of the rival services to work harmoniously on the program is responsible for any lag that may be present in the development of the push-button weapons.

Before Charles E. Wilson steps out and turns over the reins of the nation's military establishment to McElroy, he is expected to urge the soap maker to get tough with the uniformed brass who are at fault for the program's troubles.

Television's Growth—American television is becoming a billion-dollar-a-year industry. The Federal Communications commission reports that TV networks and stations received \$986,900,000 in revenues in 1956—a jump of more than 20 per cent over 1955.

The commission, in its annual report, noted that profits in 1956 were up 26 per cent over the previous year. It also said that the three networks and 15 network-owned stations accounted for about 49 per cent of the industry's total revenue.

# Lt. George Sopko To Command Co. G

## Barrett Man To Succeed Lt. Silfee

**MOUNTAINHOME**—First Lt. George Sopko, a veteran of 17 years of military service, has been appointed commanding officer of "G" Company, 109th Infantry Division, succeeding Second Lt. Nelson Silfee, now in Pittsburgh. Company G has its headquarters in the Army on Washington St., East Stroudsburg.

Until his recent appointment, Lt. Sopko was a member of "M" Company, 79th Division, of the local Army reserve.

His military service began early in 1941 with the Royal Canadian Air Force; he transferred to the U.S. Air Force early in 1942. He was shipped overseas in 1943, during which time he transferred to the Infantry.

**Served In France**  
He was commissioned in France, serving as platoon leader of the 11th Armored Division. After returning, he assumed the position in the 79th which he held until his recent appointment.

Lt. Sopko is a lifelong resident of the area, and is employed with Monomnock and High Point Inns in a business capacity. With his wife, the former Mary Wallace Andrew, Glasgow, Scotland, and their three children, he lives here.

## Lady Fined After Crash Injuring Two

A 23-YEAR-OLD Brooklyn woman entered a guilty plea to a charge of failing to yield half of the road last night after an accident near Smithfield School in which two other women were slightly injured.

The woman was Gail Toberisky, of 699 Hinsdale St., Brooklyn. Police identified the injured as Selma Shapiro, 28, and Isabel Brunel, 24, both of Brooklyn, who sustained bruises of the left and right leg respectively.

Stroudsburg State police said Miss Toberisky was driving east on Leg. Rt. 45061 at 5:15 p. m. when her car crossed the center line and sideswiped a car operated by Lois E. Kenerson, 27, of Ontario, Canada.

Miss Toberisky was arraigned before Justice of the Peace Elmer Bean, East Stroudsburg. She paid \$10 fine and \$5 costs after pleading guilty to the charge.

## Elderly Man Dies While Watching TV

**ALBRIGHTSVILLE** — Joseph Gower, 76, died suddenly at his home here Thursday night at 9:15. Mr. Gower collapsed and died as he and his family were watching a wrestling match on television in their living room.

He was the son of the late Franklin and Barbara Gower, and was a member of the Lutheran Church.

Survivors are his wife, the former Abbie Gatz; three daughters, Mrs. Harold Stout, Pocono Lake; Mrs. Sterling Brutzman, Kunkletown; and Mrs. Raymond Green, Pen Argyl; three sons, William and Harold, at home and Ernest, Albrightsville; three grandchildren; two brothers, Wilson and Milton Gower, both of Emmaus.

Funeral services will be held Monday at 2 p.m. at Kresge funeral home with Rev. Adam Bohner officiating. Interment will be made in the old Albrightsville cemetery. Friends may call at the funeral home in Brodheadsville Sunday after 7 p.m.

## Shoplifting Law To Be Discussed

**DISTRICT** Attorney Detlef A. Hansen will address the Stroudsburg Businessmen's Assn. at the Penn-Stroud Hotel on Monday at 6 p.m.

He will review the new shoplifting law as it pertains to stores in Pennsylvania. President Charles Marsh reported.

The merchants also will receive a report on the solicitation of donations for the Chamber of Commerce's Industrial fund drive, and discuss store hours for the Christmas shopping period and the September dollar day promotion.

## Former Local Man Dies

**FRANK THOMAS**, of 17 N. 10th St., Stroudsburg, has received word of the death of his half-brother, George M. Timmins, 58, in Panama City, Panama.

Mr. Timmins had attended high school in East Stroudsburg and lived in the community while a young man. Later he resided in Gloversville, N.Y., and a number of years ago moved to Panama, where he was a civilian employee in the U.S. Army.

He was formerly a member of Grace Lutheran Church, East Stroudsburg, and a member of his choir. He also belonged to the American Legion in Panama. Funeral services were held in Panama City.

## Funeral Notices

**GOWER, Joseph of Albrightsville, Thursday, Sept. 5 aged 76.** Relatives and friends are respectfully invited to attend funeral services Monday, Sept. 9 at 2 p.m. from the Kresge, Brodheadsville Funeral Home, interment in the old Albrightsville Cemetery. **State Barbers Convention Scheduled Here In October**

**MASTER** barbers of Local 559 are making final preparations to entertain the state barbers' convention here Oct. 13 and 14.

The sessions will be held in the Penn Stroud Hotel. Some 60 delegates are planning to register and an estimated 200 persons are expected for the annual banquet the night of Oct. 13.

Local 559 members are looking forward to the observance of Barber Week starting tomorrow.

The week of Sept. 8-14 has been proclaimed Barber Week in Pennsylvania by Gov. George M. Leader.

His proclamation noted that the profession of barbering has a long and worthwhile history and that the modern barber is among those devoted to the health and well-being of his community and its citizens.

The Governor also noted that the modern barber, as an individual, is interested and active in the civic affairs of his locality besides rendering a service to his community.

**Brush Fire At Tannersville**

**TANNERSVILLE**—Local firemen were called out at noon yesterday to extinguish a small brush fire.

The fire occurred to the rear of the home of John C. Litts, county superintendent of schools. No damage was caused to property and only a small amount of brush was burned off, firemen said.

**Flu Vaccine For Policemen**

**HARRISBURG, Sept. 6 (AP)**—Col. Earl J. Henry, state police commissioner, said today he has ordered Asian flu vaccine for injection of all uniformed and civilian personnel of the department.

He said he decided on the action after reading a letter by Dr. Berwyn F. Mattison to Gov. Leader in which the health secretary said there could be an epidemic of the flu.

**South Pacific Final Show At Playhouse**

**MOUNTAINHOME**—Rowena Stevens has chosen "South Pacific," the world-famous Rodgers and Hammerstein musical hit, as the closing production of the 1957 season at Pocono Playhouse.

Featured in the Pocono version of the musical play are Henry Michel, Katherine Graves, Don Wartman and Betty Jane Watson. Wartman is also directing the play. He was a member of the original Broadway company and played in the hit for five years.

Tickets are on sale by phoning Stevens at 7456 or at the Playhouse boxoffice. "South Pacific" will run through Saturday, Sept. 21 in a solid two-weeks engagement, Mrs. Stevens announced.

**Civil Defense Awards Citation To Sgt. Mick**

**M. SGT. STANLEY** Mick was presented with the first Certificate of Award citation ever given by the Monroe County Civil Defense Committee.

Judge Fred W. Davis, county C.D. chairman, presented the award which cited Sgt. Mick for "meritorious service to Monroe County Civil Defense and Monroe County Ground Observer Corps above and beyond the call of duty."

In an open-house celebration, Sgt. Mick received this award after word that his two-year stint in setting up the program was over, and that he had been ordered back into active Air Force duty at Stewart A.F.B., working with the Air Force Communication Bureau.

Sgt. Mick, working out of the Harrisburg Filter Center, had been assigned to organize the local Ground Observer Corps two years ago. Maintaining an office in the Monroe County court-house C.D. department, he organized the program which covered a five-county area.

**Posts Formed**  
Ground Observer posts were established in Stroudsburg, Brodheadsville, Kunkletown, Long Pond, and Tobyhanna Signal Depot, in Monroe County, in addition to those in the other four counties.

With Sgt. Mick's departure, the entire state is being re-districted in relation to the Ground Observer districts. The local district will encompass Monroe, Northampton, Lehigh, Carbon, Schuylkill, Luzerne, and Wyoming Counties. Luzerne and Wyoming have been added to the present five.

The new service-man in charge will be M. Sgt. Edwin Yankoski, and he will maintain offices in Wilkes-Barre.

**Ridgeway To Be Speaker**  
**ERNEST** Ridgeway, state vice president of the Fraternal Order of Eagles and trustee of Stroudsburg Aerie 1106 will be the principal speaker at Shenandoah FOE 103 tomorrow afternoon to District 17 delegates and members.

**Bureau Lists Strait's Work**  
**RESEARCH** done by Bennett Strait, special education supervisor for Monroe-Pike-Wayne counties, has been listed by the Children's Bureau of the U.S. Department of Health, Education and Welfare.

Strait said yesterday that he has received requests from all over the nation for copies of his work and his conclusions based on research into the "picture vocabulary of pre-school children."

Mention of the work is made in a regular research bulletin published by the bureau, he said.

**Explorers At Depot**

**TOBYHANNA**—Pocono District Explorer Scouts met with Signal Depot officials yesterday. They planned for a field problem encampment on Depot grounds Sept. 28-29.

Permission to use the grounds was given by Col. Clifford Poutre, commander, who expressed great interest in Scouting.

An estimated 100 to 125 Scouts will take part. Present plans call for participation of the Civil Defense and State Police as referees during the two days.

Following yesterday's discussion the Scouts who are on the steering committee for the event took a tour of the Depot and were served refreshments in the cafeteria.

Scouter B. E. Varvel, Canadensis, spokesman for the group, and Jules Schrat, event director, headed the Scout delegation.

**Gearhart's Picture In Newspaper**

**A PHOTO** of a Stroudsburg man who was stationed with the new DEWline (District Early Warning System) in the Arctic Circle was used in yesterday's issue of The New York Daily News.

It illustrates an article on DEWline by Tenold R. Sunde. The man in the picture at the upper left of page 10C is Robert Gearhart, 819 Ann St.

Gearhart is shown looking through one of the radar instruments which make up the warning system—now called America's first line of defense in the event of aerial attack.

His mother, Mrs. Samuel Gearhart, said last night that her son had returned home this past week. He is now preparing to return to his job with the Bell Telephone Co. in this area.

Gearhart transferred from Bell to Western Electric 18 months ago and "signed up" for a year and a half with the DEWline project.

## Two Carbon Boys Escape At Kis-Lyn

LEHIGHTON — Two area teen-agers were the object of widespread police search last night after they "escaped" from Kis-Lyn Industrial School.

The two boys were sentenced to Kis-Lyn Thursday on charges of attempted burglary of the Building and Loan Co. in Jim Thorpe a month ago.

State police here said that the two boys were taken to Kis-Lyn Thursday afternoon. They ran away from the school at 10:30 a.m. yesterday.

Both boys had been detained at Kis-Lyn for two weeks before their case was heard by a judge in Carbon County Court. Kis-Lyn is a school for younger

boys, generally first offenders, which has no cells, lockups and no fences around its boundaries.

Population of the Union of South Africa is now 14,167,000.

## It takes a GIANT to keep America on the go

There are only 41,785 new car dealers in the U.S. to serve more than 49,000,000 car-craving families. Yet these comparatively few dealers perform a giant selling job in moving more than 6,000,000 new cars a year worth well over \$15,000,000,000!

There are only 1,761 daily newspapers in the U.S. Yet every day they roll out more than 58,000,000 copies to do a herculean job of helping to sell America's automobiles from coast to coast.

Car dealers and daily newspapers have much in common. Both are upstanding local citizens vitally

interested in local affairs. Back of almost every civic drive you'll find the local car dealer supporting it with all his weight. And right beside him, with equally ardent support, is the daily newspaper.

Car dealers, like others, have learned that the daily newspaper puts plenty of weight behind an advertiser's sales message, too. That's why newspapers, each year, carry the biggest share of automotive advertising. Use this giant to put the weight behind your advertising.

All business is local...and so are all newspapers.

## Youth Versus Vets In Waite 'Middle Masters' Final

### Top Amateurs, Collegians Gain Classic's Final Round

SHAWNEE-ON-DELAWARE — Veteran amateurs Ray Billows and Frank (Pooch) Allen, and highly regarded collegians Joe Grace and Dick Weyland gained the finals of the "Middle Masters" in the Waite Memorial Best Ball Match Play Tournament at Shawnee Country Club here yesterday.

Billows, a former National Amateur contender from Poughkeepsie, N. Y., and Allen, ex-Pennsylvania amateur king from Pittston, shot a best ball of 68 and eliminated Gene Howard and Tom McMahon, 1 up in 21 holes.

Grace, Notre Dame golf captain, and Weyland, of Detroit, posted a 68 and ousted Modeste Warren Simmons, Syracuse University underdog, and Larry Beck, National Junior champion, 1 up.

In the "Old Masters" (50 years of age and over), Bill Diddel, Indianapolis, and Jim McAlvin, Chicago, moved into final round by defeating Ed Caldwell, and Paul Dunkel, 1 up on the 19th hole. Their foes today will be Hank Pool, Wilkes-Barre, and Frank Clement, Chicago, winners yesterday over Jim Miller, Chicago, and Arnold Rankin, Columbus, Ohio, 2 and 1.

**Norton Trophy**  
Finalists for the Norton Trophy are the teams of Bill Lane and A. W. Gilmore, and Lloyd Hansen and Charles Morrell. The Lane-Gilmore duo bested Jim Koch and F. Eichenberger 1 up, while Hansen and Morrell topped Walter Peeney, Stroudsburg, and Dick Fidler, Shawnee, 4 and 3.

One of the finalists for the Manawalamink Trophy also was decided when Robert Walker Jr. and Don Norbury defeated Howard May and Les Norbury, 4 and 3.

**Losers Bracket**  
In the losers bracket (one flight), Philadelphia's Jim Elliot and his partner George Cornell advanced to the finals by edging Joe Hendrickson and Roy Burgin, 1 up in 19 holes. Elliot, "Blondie" track coach, and Cornell will meet for the "crutch crown." R. Oetzel Jr. and Ira Gruber, 2 and 1 conquerors of Bill Baker and Bill Hill.

**Hole-In-One**  
The highlight of today's matches was Jack Moore, Oklahoma University golfer playing in the losers consolation side of the four topflights, four-day tournament, shot a hole-in-one on the 135-yard with an eight iron on the 135-yard 16th hole.

**Podres Halts Giants, 3-0**  
NEW YORK, Sept. 6 (AP) — Southpaw Johnny Podres allowed the New York Giants only three singles tonight while claiming his sixth shutout — tops in the majors — in a 3-0 Brooklyn victory.

The Dodgers, who collected 10 hits, rolled on Elmer Voss's first inning solo homer off right-hander Ray Crone, who also was tagged for single runs in the fourth and sixth while losing his eighth in 15 decisions.

Singles by Carl Furillo and Gino Cimoli, each of whom collected two hits, and Charlie Neal's single off Crone's shins produced the fourth inning marker. In the sixth, it was a walk, Furillo's single and Cimoli's infield hit that did the job.

**Bosox Edge Orioles, 4-3**  
BOSTON, Sept. 6 (AP) — Pete Daley's double with two out in the ninth inning brought Boston to a 4-3 victory over Baltimore tonight after Gene Stephens, as Ted Williams' stand-in, cut down an Oriole runner and tied the score with a run-producing single.

Daley, Boston's reserve catcher, slammed reliever Billy Loeb pitch off the wall in left field scoring rookie Ken Aspromonte from first base.

Stephens' playing left field in the absence of American League leading batsman Williams, who is out with a cold, singled to knot the game 3-3 in the last of the eighth.

**Ted Improved But Still Out**  
BOSTON, Sept. 6 (AP) — Boston slugger Ted Williams' condition was reported slightly improved tonight but he remained out of the Red Sox lineup as the club opened a home stand against Baltimore.

Williams, leading the American League batting race with .376, has been confined to his hotel room here since Monday because of a heavy chest cold.

**Grid Midgets Register Today**  
FINAL registration for East Stroudsburg Midget Football League players will take place today at East Stroudsburg High gym, starting at 10:30 a. m.

All boys in the 9 to 12-year-old bracket are invited to sign up. The inkings will continue through 12 noon.

**Tribe Miscues Give Tigers Win**  
DETROIT, Sept. 6 (AP) — Errors by shortstop Chico Carrasquel and second baseman Bob Avila on the same play helped the Detroit Tigers to three runs that broke a 2-2 tie and sent the Tigers on to a 5-2 triumph over the Cleveland Indians tonight.

**Industrial Loop To Meet Today**  
THE INDUSTRIAL Bowling League will hold a pre-season league meeting at Dunn's Tavern, 305 N. Courtland Street in East Stroudsburg, today at 8 p. m.

All team captains and other bowlers are urged to attend.

## Penn-Stroud LL Champs Cited At Fete

PENN-STROUD Hotel, winners of the Stroudsburg Little League championship, were honored at a banquet last night.

Mrs. Gerald O'Neill, owner of the hotel and her son, Jerry Jr., were hosts to the affair, citing the Little League champs.

Fifteen players and two coaches and their wives attended the fete. Present were Mr. and Mrs. Arch Rundle, Mr. and Mrs. Donald Gilpin, Austin Keiser, Johnny Shanley, Jim Reinhardt, Terry Jones, Bobby Buzzard, Dale Grover, Billy Werkheiser, Tom Penn, Miller, Tommy Morekin, Darryl Bentzon, Walter Whitehead, Jimmy Kresge, and Bobby Kresge.

**Speakers**  
Manager Gilpin, in behalf of the team, thanked Mrs. O'Neill for the backing during the 1957 season. Coach Rundle also gave a short talk, lauding the efforts of Mrs. O'Neill.

Mrs. O'Neill was presented with a picture of the team and was notified that the championship trophy will be displayed in the lobby of the hotel.

A turkey dinner was served, amidst flying pennant play mats. Table games followed.

**Senators Nip Yanks In 9th**  
WASHINGTON, Sept. 6 (AP) — Jerry Coleman dropped a throw at second base with the bases loaded and two out in the ninth inning tonight and enabled Washington to defeat the New York Yankees, 4-3. It was the Senators' fifth victory in their last six games with the league leaders.

Bob Grim had filled the bases with none out by walking Jim Lemon, Bob Usher and Rocky Bridges successively, but the Yankees appeared about to ease out of the jam when Johnny Kucks came along to get pinch-hitter Herb Pless to hit into a force play at the plate, then disposed of Ed Yost on a pop fly.

The Yankees seemingly had escaped the predicament when Milt Bolling sent a routine grounder to third baseman Jerry Lumpe, but Coleman dropped his throw, which would have forced Pless at second base, as Usher crossed the plate.

**Chisox Chop Lead To 4½**  
CHICAGO, Sept. 6 (AP) — Reliever Dixie Howell's ninth inning home run powered the Chicago White Sox to a 4-3 victory over the Kansas City A's tonight and cut New York's American League lead to 4½ games.

Howell, third White Sox pitcher, slammed one off reliever Wally Burnett's pitches into the lower right field stands with one out. It was his third homer of the season.

With Kansas City ahead, 3-1, the Sox had put on a desperation two-run rally in the eighth to tie the game.

**Foiles' HR Tops Phils**  
PITTSBURGH, Sept. 6 (AP) — Catcher Hank Foiles' solo home run in the sixth inning broke a tie and gave the Pittsburgh Pirates a 3-2 victory over the Philadelphia Phillies tonight. Right-hander Ronnie Kline gave up 6 hits in winning his fifth consecutive game. Kline now has a 7-15 record.

Southpaw Harvey Haddix, who gave up but 7 hits, was charged with his 11th defeat. He has won 10.

Haddix got two of Philadelphia's hits, including a two-run triple in the fifth inning which forged a 2-2 tie. It came with one man out after Granny Hamner had walked and Ted Kazanski had singled. Kline got out of the jam by getting Richie Ashburn on a grounder and Rip Repulski on an infield fly.

**Miceli Jolts Saxton Return**  
WASHINGTON, Sept. 6 (AP) — Joe Miceli of New York joined Johnny Saxton's comeback campaign tonight by bashing the former welterweight champion all over the Capitol Arena ring and winning on a fourth round technical knockout.

Saxton outweighed Miceli, 153½ to 147½.

Ring physician Clark Halstead stopped the televised fight after examining Saxton at the end of the third round.

Saxton bled heavily from the mouth and was glassy eyed. With Saxton unable to come out for more punishment, District of Columbia boxing rules classed the result a fourth round TKO.

**Giants Recall Six**  
NEW YORK, Sept. 6 (AP) — The New York Giants today recalled six farm hands. Catcher Bob Schmidt, pitchers Pete Burnside, Gordon Jones and Joe Margoneri, and shortstop Andre Rogers were brought back from Minneapolis. Pitcher Joe Shipley was recalled from Springfield.

**Bushkill Nine To Drill Today**  
RUSHKILL of the Pocono Mountain League will hold a workout on the home field, starting at 3 p. m. today. All players are urged to report.

**Redlegs Stall Cards, 5-4**  
ST. LOUIS, Sept. 6 (AP) — Jerry Lynch's record-tying pinch hit home run pushed Cincinnati past second-place St. Louis, 5-4, tonight and dimmed the Cardinals' flickering pennant chances.

**Gil Hodges of the Brooklyn Dodgers hit only .278 in Class B with Newport News, Va., in 1946 yet made the majors the following season.**

FOREST HILLS, N. Y., Sept. 6 (AP) — A Bitter Herbie Flam, stung by his omission from the U. S. Davis Cup team, upset Vic Seixas with a fighting performance in the National Tennis Championships today and win another trip to Australia.

While the U. S. cup committee watched with crimson faces from the West Side Club marquee, the intense, bespectacled retriever from Beverly Hills, Calif., chopped down the favored Seixas 6-4, 3-6, 6-4, 4-6, 6-1 to gain the tournament semifinals.

Minutes afterwards, Chauncey Steele Jr., chairman of the committee who earlier in the afternoon had named a six-man team without Flam, came to the press quarters and shamefacedly issued a new statement.

"Dick Savitt has told us he definitely will not go to Australia," Steele said. "So we have named Flam as the sixth member of the team to replace Savitt."

## T. I. Carson Trap Shoot At Porters Lake

PORTERS LAKE — The 11th annual T. I. Carson Remembrance Trap Shoot opened at the Porters Lake Lodge range here yesterday.

Forty-four top-flight marksmen from the Philadelphia Atlantic Coast area took aim at clay targets in preparation for the annual Atlantic Indians fabled target meet later in the month.

John I. (Uncle John) Messenger was host to the affair—the 11th time the president of the Messenger Gear Club has entertained the group at the Porters Lake hunting and fishing retreat.

**Ends Tomorrow**  
Firing will continue today and wind up tomorrow with memorial services for late members of the group. To be cited Sunday are William Messenger, Dr. W. H. Chandler, John Eschman, Edward F. Berlinger (a former president of the organization) and Sam G. Davenport.

Bucky Jones, steward of the Porters Lake Hunting-Fishing Association, was in charge of arrangements.

Organization officials announced that the Atlantic Indians shoot, in which 200 will take part, will be held at Shawnee Country Club in late September.

**Foiles' HR Tops Phils**  
PITTSBURGH, Sept. 6 (AP) — Catcher Hank Foiles' solo home run in the sixth inning broke a tie and gave the Pittsburgh Pirates a 3-2 victory over the Philadelphia Phillies tonight. Right-hander Ronnie Kline gave up 6 hits in winning his fifth consecutive game. Kline now has a 7-15 record.

Southpaw Harvey Haddix, who gave up but 7 hits, was charged with his 11th defeat. He has won 10.

Haddix got two of Philadelphia's hits, including a two-run triple in the fifth inning which forged a 2-2 tie. It came with one man out after Granny Hamner had walked and Ted Kazanski had singled. Kline got out of the jam by getting Richie Ashburn on a grounder and Rip Repulski on an infield fly.

**Miceli Jolts Saxton Return**  
WASHINGTON, Sept. 6 (AP) — Joe Miceli of New York joined Johnny Saxton's comeback campaign tonight by bashing the former welterweight champion all over the Capitol Arena ring and winning on a fourth round technical knockout.

Saxton outweighed Miceli, 153½ to 147½.

Ring physician Clark Halstead stopped the televised fight after examining Saxton at the end of the third round.

Saxton bled heavily from the mouth and was glassy eyed. With Saxton unable to come out for more punishment, District of Columbia boxing rules classed the result a fourth round TKO.

**Giants Recall Six**

"Dick Savitt has told us he definitely will not go to Australia," Steele said. "So we have named Flam as the sixth member of the team to replace Savitt."

Savitt was sitting in the stands of the West Side Tennis Club watching the quarter-final match of the national championships between Seixas and Flam.

Asked by The Associated Press if he would join the team, Savitt answered:

**Not Going**  
"I'm not going to Australia. The answer is still no. I've been asked 100 times and the answer is no. That's definite. No, period. I don't care what my boss or anyone else says. No."

After Flam had beaten Seixas in a rugged five-setter and Savitt's comments had drifted back to the committee, another meeting was called hastily and Flam was named to replace Savitt on the team.

"Well, isn't that something," laughed Flam, who was told of his selection — not by the committee — but by newsmen while he was getting a rubdown after his match with Seixas. "You don't know what's going to happen around here from day to day."

"Seriously, I thought that I should have been named a member of the team, especially when they decided to name six guys. Well, I'm available. I'd like to get another crack at him since I lost to Lew Had in my only challenge round match."

**Got Flam On**  
Seixas, 34, said, "At least I accomplished something today, getting Herbie on the team. He should have been named in the first place. This is silly."

Richardson has said he won't make the trip without his wife. "No wives," Captain Billy Talbert reiterated.

A surprise was the absence of Badge "Fatty" a world tourist, whom U. S. brass has been trying to persuade to play in the challenge round for five years.

## Davis Picks Winds Up In Controversies

By ED CORRIGAN  
FOREST HILLS, N. Y., Sept. 6 (AP) — The United States selected a six-man Davis Cup team today after first naming reluctant Dick Savitt, then replacing him with Herbie Flam, No. 2 player in the country.

The team, as of now, is composed of Vic Seixas of Philadelphia, Flam of Beverly Hills, Calif., Hamilton Richardson of Westfield, N.J., Gardner Mulloy of Miami, Barry McKay of Dayton, Ohio, and Ron Holmberg of Brooklyn.

Savitt, South Orange, N.J., oil man, was placed on the team in the first announcement. Chauncey D. Steele of Cambridge, Mass., chairman of the selection committee, admitted he had not spoken to Savitt about his availability.

Savitt was sitting in the stands of the West Side Tennis Club watching the quarter-final match of the national championships between Seixas and Flam.

Asked by The Associated Press if he would join the team, Savitt answered:

**Not Going**

**Colts, Redskins On TV Tomorrow**  
BALTIMORE, Sept. 6 (AP) — The Baltimore Colts and Washington Redskins of the National Football League, who staged a television thriller last December, will be back on the air Sunday.

The Colts were trailing with 24 seconds left in 1956 when a pass hit a Washington player and was caught by Jim Mutscheller of Baltimore for a touchdown and 19-17 victory.

Sunday's exhibition game also will be televised—CBS, 1:05 p. m., EST—on 175 stations. Baltimore and Washington fans will have to attend the game to see it since their stations will not carry it.

## Panthers Will Have Good 1st String Team But Is Green, Lacks Depth -- Michelosen

**PITTSBURGH, Sept. 6 (AP)**—Take it for what it is worth—the 1957 University of Pittsburgh football team is green and lacks depth.

That appraisal came today from Coach Johnny Michelosen, who has brought the Panthers to new football heights the past two years.

It doesn't sound optimistic after 7-3 and 7-2-1 seasons—and two bowl losses to Georgia Tech—but it gives you an idea how the affable coach of the Panthers is thinking.

"We'll have a good, good first team," predicts Michelosen, "but we'll lack depth at every position especially center, tackle and end. And we're not too deep there either. We have only four lettermen at these positions and a total of 10 lettermen on the entire squad. I'll settle for anything near our 7-2-1 mark last year."

**Seeks Q. Back**

Michelosen also is looking for a new field general to replace graduating seniors Cory Salvaterra and Darrell Lewis, key quarterbacks the last three years.

Bill Kalliden, 20, a pre-med student from nearby Industrial Homestead, is the No. 1 candidate. But Michelosen quickly points out the junior played 27 minutes last year.

"He's done exceptionally well in drills," comments Michelosen. "It may be a different story under fire. We'll have to wait and see. However, he's looked very good."

Michelosen intends to use the split-T formation—the offense his predecessor Lowell "Red" Dawson installed in 1954—but with other series from it.

**Sooners First**

Back atop the football heap under Michelosen — a feat no fewer than a half-dozen other coaches took a whack at without success since the day of Joe Stambaugh — the Panthers open the season Sept. 21 against Oklahoma, winner of 40 straight.

"We're training hard, the spirit is good and we've got an enthusiastic bunch of boys" is the way Michelosen sums it up. "We don't fear Oklahoma or the others, but we respect them."

## Grady Area's PGA Senior

**PHILADELPHIA, Sept. 6 (AP)**—Steve Grady, of the Brookside-Pottstown, Pa., Country Club, today won the Philadelphia sectional qualifying play for the national PGA senior championship at Dunedin, Fla., next January. The senior tournament is for players 50 and older.

Grady won in a sudden death playoff, defeating Ted Bickel Sr., of the Springhouse Club, Delaware County.

Grady and Bickel had tied 36-34—70, one over par, and in the playoff Grady won on the first hole, 245 yards.

Tied for third place were Al MacDonald, 67, of Langhorne, winner of the sectional tournament last year, and A. B. Thorn Sr., of Lancaster, Pa. Their score was 36-37-73.

**Other Top Scores**

Walter Brickley, Burlington, N. J., 37-37-74.

Harold Calloway, Sky Top, Pa., 37-37-74.

John Moyer, Schuylkill, Pa., 37-40-77.

Ken Milne, Northampton, Pa., 39-39-78.

The greatest lifetime winning percentage of any jockey was compiled by Isaac Murphy who won with 44 per cent of his mounts during a 15-year career before the turn of the century.

## Adelmann One Bright Spot In Lafayette Grid Plans

**EASTON** — Completing the first week of drills, the Lafayette College football squad appears ready for harder work next week with some scrimmages scheduled.

Steve Hokuf, starting his sixth season as head maroon mentor, expressed satisfaction with the progress made last week. Hokuf and his assistants devoted a good deal of time with line candidates, because of the need to rebuild the forward wall.

Of last year's first 10 linemen, eight were graduated last June. The task of the coaches is not only to build a strong first line but also capable reserves.

**Shifts Lloyd**

To bolster the middle of the line, Hokuf has shifted George Lloyd, 200-pound senior from Scranton, from tackle to guard, to team-up at the guard posts with Bill Harrick, 196-pound center from Punxsutawney. Both are lettermen.

Hokuf rates Harrick as one of the top guards in the East and expects him to win eastern honors.

Another shift made by Hokuf was to change Jim Kontje, 200-pound senior from Bayonne, N.J., from end to tackle. Kontje is fighting it out for a starting berth with Dick Norton, 225-pound senior from Baldwin, N.Y., and Bill Covach, 210-pound senior from St. Clair.

Bill Foreman, 205-pound senior from Lancaster, is the leading candidate for center. He saw some duty at that post last year.

**Well-Fortified**

Lafayette appears well fortified at the end posts. Back from last year are Al Adelmann, Stroudsburg; Donald Dilley, Livingston, N. J.; Gordon Gibson, Washington, D. C., and Mike Reilly, West Chester, all lettermen.

The four are being given stiff competition by John Prevost, a senior from Wellsboro, and four sophomores Dan Wooden, Cape May Courthouse, N. J.; Tom Fisher, Shrewsbury, N. J.; Joel Gustafson, East Haven, Conn.; and Dean Shawl, Freedom, Pa.

# Just Between Us —

—By Bobby Westbrook

What did yesterday's weather remind you of? Coffee with thick cream floating? Hot apple pie with ice cream? Baked Alaska? Something hot but with a bite underneath and utterly delicious, I'm sure. Well, we need some autumn pep because the organizations are getting under way.

So this might be a good time to do a little preaching about something that has always worried me. All organizations want new members. There are a lot of lonely people just waiting to be asked to join something. And it seems like the hardest thing in the world to get the two together.

There are a few, very few, organizations who are restricted in some way or another in their membership: the Amaranth and OES are Masonic-connected; the DAR must have a genealogy to the Revolution; the AAUW members must have been graduated from an accredited college. Music Study Club, Art Associations, Chess Clubs and bridge groups cater to special interests.

Yet even within the bonds of these restrictions there are a lot of potential members who never get asked because nobody knows who they are—though, cross my heart, I know they'd be welcome.

Then when you think of all the organizations whose membership is wide open, who devote a part of every executive board wondering how to get in touch with people who might be interested in joining, there's no reason in the world why any woman can't be as clubby as she wants to be.

The Woman's Clubs, the PTA's, the League of Women Voters, the church societies, the hospital auxiliaries—if any of them interest you, for heaven's sake don't sit there waiting to be asked to join. Tell a member you're interested, call the president and ask about membership—if you don't know anybody who belongs, call me. But not until after 9 a.m. this morning, please.
